

Lead-generation specialists for live chat in automotive

Why dealerships choose Optimy?

We generate the highest number of qualified leads

Our high quality leads convert into more sales

We offer the greatest level of personalization

What our auto clients are saying

Switching to Optimy from our previous chat provider was the best decision we made. In just 3 months, we have already achieved a 21% conversion rate!

Patrick Shaw, Managing Partner NORTH BAY MAZDA Our conversion rate on chat with our current provider or our past provider was somewhere between 1% and 2%... We're now at 8% to 10%.

Ian Gray, Owner and GM SALMON ARM GM As a car dealership we were dependent on the in-person sale to sell cars. Optimy.ai made it easy for our sales team to bring the in-person customer interaction online.

Jackie Zanello, Sales & BD Manager ROY FOSS CADILLAC

Optimy.ai is your next-generation sales conversation platform, with proven success in delivering lead and sales growth to dealerships.

Use the power of chat and AI to close more sales

Create profitable conversations with advanced automated messages to highly personalized live chats.

Proactive Live Chat is our Key Differentiator

Our Active Outreach identifies your high salesintent visitors and proactively engages with personalized calls to action

Personalized messages and proactive nudges delivered based on your visitor's site behaviour

Mobile first + observe feature = better customer experience

Our modular live chat screen size allows your customers and sales agents to browse while chatting

Optimy does all the work so that your team can focus on sales

An all-in-one chat management solution

We seamlessly connect all your customers' channels into the Optimy live chat to **maximize your lead potential**
