

DIGITAL ADVERTISING AND INTEGRATED DEALERSHIP MARKETING

Who is omni auto?

We provide the only omnichannel retailing solution for dealerships in the Automotive, Recreational, Power Sports, and Commercial Truck Industries.

omni auto brings everything under one roof, integrating all channels to work seamlessly together in what is termed OmniChannel retailing.

We offer the highest quality customer experience, by uniting all sales and marketing into one cooperative wave.

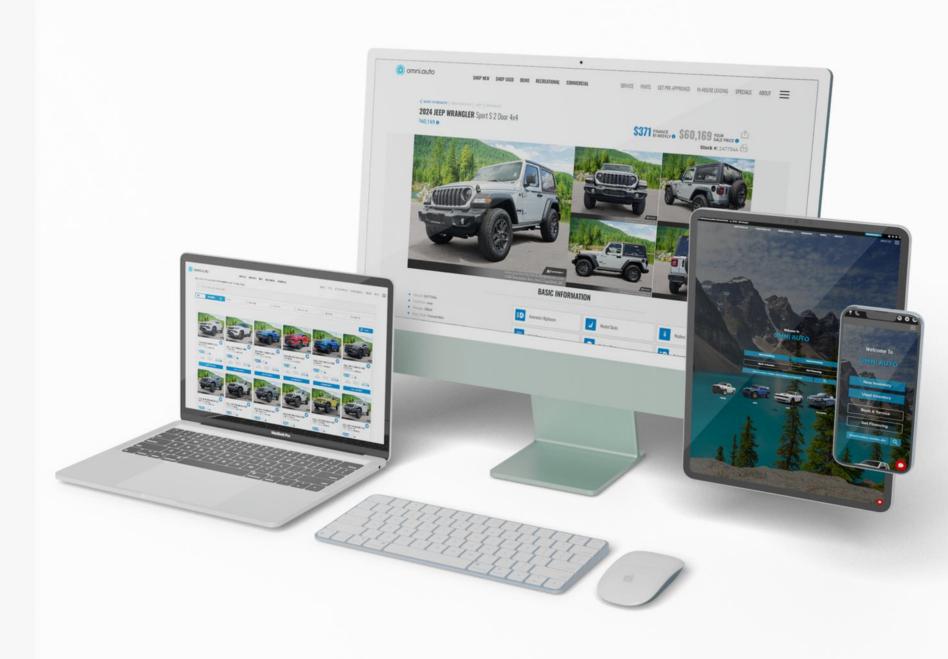

This **results in exponential growth and market exposure while cutting expenses**. Our omni auto clients have witnessed double-digit growth within 90 days and continue to increase their volume and profits. Our omnichannel systems also provide your ROI on spend, which other suppliers do not.

Website Enhancements.

Are you looking to stand out from the competition and drive more traffic to your promotions? Our innovative enhancements are designed to help you attract more buyers and increase conversions. Here's how our newest features can elevate your listings:

- Our SRP Campaign Cards allow your ads to appear prominently when buyers are browsing inventory. These cards make it easy for shoppers to find your listings faster, offering:
 - o Premium Placement: increasing visibility to potential buyers.
 - o Targeted Campaigns: Highlight special promotions, price drops, or exclusive features.
 - Engaging Imagery: Use high-quality, customized designs to capture buyer interest.
- Pop-Up Campaigns allow you to showcase special offers and featured vehicles directly to potential buyers as they navigate your website. These eye-catching, interactive ads are designed to grab attention and encourage immediate action, with features such as:
 - Strategic Timing: Pop-up messages are triggered based on user behavior.
 - Exclusive Promotions: Highlight limited-time discounts, special financing, or new arrivals to entice buyers.
 - Customizable Templates: Personalize your pop-ups with your dealership's branding,
 making your promotions feel more like part of the user experience rather than intrusive ads.
 - Easy-to-Use Call to Action (CTA): Simple, clear buttons make it easy for buyers to click through and explore more.

Why choose Omni SEO.

Initial website optimization with monthly ongoing updates, reporting, strategy and performance calls, link and citation building, and analyst insights

- Expertise in Automotive SEO: We specialize in the auto industry, which means we understand your business and the unique challenges you face.
- Proven Results: Our clients see measurable improvements in search rankings, traffic, and conversions.
- Dedicated Support: Our team is always here to provide guidance, answer questions, and adjust strategies to meet your needs.

Maximize Your Auto Business with Omni Auto's Premier SEO Services.

Drive Traffic. Boost Conversions. Dominate Search Rankings.

Custom Content.

Omni Auto's custom content packages are designed to drive organic traffic by delivering high-quality, SEO-optimized content tailored to your automotive business.

- Custom Content Channels for New Vehicles and Fixed Ops
- Blog Posts for Sales, Service, and Parts Departments
- Auto-publish to your Social Pages

From engaging blogs and service pages to industry news and vehicle guides, we craft content that resonates with your target audience and improves search engine rankings. Our strategies focus on integrating relevant keywords, addressing customer questions, and positioning your brand as an industry expert. With a consistent flow of fresh, valuable content, we help your website attract more visitors and convert them into loyal customers.

Digital Advertising.

In today's competitive automotive market, staying ahead requires a powerful digital advertising strategy. At Omni Auto, we specialize in creating targeted, results-driven campaigns that help automotive businesses accelerate their growth. Whether you're a dealership, auto service provider, or parts retailer, our comprehensive digital solutions are designed to elevate your brand, boost sales, and build lasting customer relationships.

Why Choose Omni Auto?

- Tailored Campaigns: We don't believe in a one-size-fits-all approach. Every campaign we craft is customized to your business needs, audience, and market trends.
- Precision Targeting: Using the latest digital tools, we target potential buyers at every stage of the purchasing journey—from research to decision-making.
- Cross-Platform Reach: From Google Ads and social media platforms to programmatic advertising, we ensure your brand is visible across all the right channels.
- Real-Time Analytics: Our advanced reporting tools allow you to track your ad performance in real time, optimizing campaigns for maximum ROI.
- Expert Team: With years of experience in the automotive industry, our team knows what it takes to drive results and keep your business ahead of the curve.

Marketing Tools.

Use our proven Marketing Tools, whether Conquest Mail, Personalized Database programs, Email campaigns, Text blasts, or Voicecasting to fill your sales funnel with quality leads. Omni auto integrates all with your existing digital strategy, bonding with your potential customers before you even answer the sales call.

- Using Demographic Research to reach new potential customers in your territory
- Blanket the market with your latest offers and new product launches
- All Custom designed, turn-key, including postage and handling
