COPILLOT - Boost your sales with us

Copilot services ensure continuity in customer follow-up and continuous lead monitoring. Our suite of services offers you an alternative to an in-house BDC, or simply a complement to your current operations.

Conversion and client selection strategies are developed in close collaboration with you, reflecting the image of your dealership and brand.

We are your BDC—without the hassle—giving you more time to focus on your customers!

COPILLOT LOYALTY

Ongoing follow-up of your lease and finance portfolios.

COPILLOT SERVICE

Seize your service customers opportunities.

COPILLOT PRE-OWNED

A source of customers to leverage.

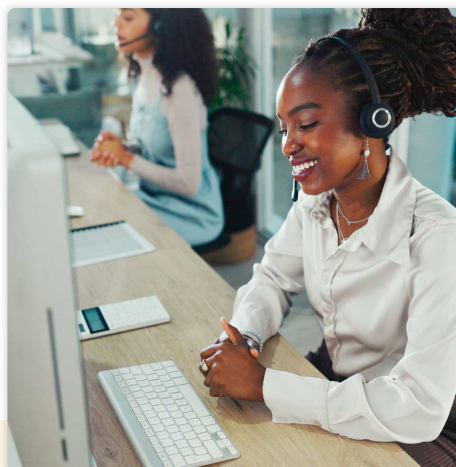

Features

- Team available at all times.
- Customized services for your dealership.
- Entry of opportunities and notes into your CRM.
- Strategic cooperation.
- Appointment scheduling 12 months a year.

Benefits

- Continuity in services.
- No recruitment, training, or staff management.
- Continuous supply of used vehicles.
- Cost per vehicle sold **up to 50% less** than conquest customers.
